FERNO

FERNO LOCK RANGE

Tested & Approved to the highest standards… the perfect Ambulance Locks

Lock+Load is one of Ferno's inspired safety innovations to ensure quicker, secure patient transport across the whole of your fleet. Compatible with all Ferno stretchers and trolleys – and any ambulance – **Lock+Load** employs a single-action locking device which operatives will find especially quick and easy to use.

Crucially, it also offers complete safety, whether fixed down or used as part of a track lock system.

- Efficient and fast lock down and patient security
- Total fleet compatibility of equipment
- The Lock can be moved to a centre track from its position on the right to accomodate a bariatric trolley

CEN APPROVED to meet it's high standards equipment has to pass rigorous safety tests that are approved and witnessed by the VCA.
